Dear Friends of St. Andrew's School:

We marked the 2017-2018 school year as a community coming together to celebrate the accomplishments of a successful year. We recently mourned the devastating loss of our colleague, friend, and Board Chair, Carol Wingo Dickinson. Carol joined the Board of Directors in 2011 and assumed the role of Board Chair in 2017. Her knowledge, experience, and dedication to the school made her an invaluable leader and advocate for providing access to quality, life-changing education to our students. On behalf of the St. Andrew's School community, we dedicate this year's Annual Report to our colleague, Carol.

Under Carol's leadership, our school completed its first year as an Extended Learning Time model, providing our students with over 1,400 hours in school. During our first year, we saw admirable gains in reading scores from Kindergarten through Fifth grade. The school set a S.M.A.R.T. goal (Specific, Measurable, Attainable, Relevant and Time-bound) for a minimum of 80% of all students achieving at least one year's growth in reading. With the dedication of our faculty and students to teaching and learning, we surpassed our 80% goal, and even more impressively, nearly 50% of those students are reading above grade level.

In addition to our students immersing themselves in reading engagement, our school was the recipient of over 1,000 books from Scholastic for our community bookshelves, classroom libraries, and our Little Free Library outside the front doors of the school. An additional 200 books in Spanish became an integral part of our students' foreign language classes.

We thank you for your sustained support and investment in our school, and are thankful you've joined us in continuing Carol's lifelong work of community service that provides engaging and life-changing learning opportunities for all of our students.

We invite you to stay connected to us as we work toward new goals and accomplishments in the coming year!

Warmest regards,

Cyndy Weldon-Lassiter, Ed.D.
