

Neighborhood Assistance Program (NAP) Info Sheet

St. Andrew's School

At St. Andrew's School (SAS), we are building a bold future, one where a child's zip code does not determine the quality of their education. Our vision is clear: To become a model school in Richmond and a catalyst for citywide educational improvement.

At St. Andrew's School (SAS), we are building a bold future, one where a child's zip code does not determine the quality of their education. Our vision is clear: To become a model school in Richmond and a catalyst for citywide educational improvement.

We are developing a scalable, cost-effective model that ensures all children, regardless of income, have access to a world-class education. Drawing on proven practices from high-performing urban schools, we are refining the approach to include what we do best: ensuring the social-emotional well-being of the students who inspire everything we do.

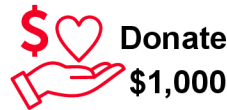

About NAP

The Neighborhood Assistance Program (NAP), created by the Virginia General Assembly in 1981, encourages individuals and businesses to make charitable donations to organizations serving economically disadvantaged students. Donors are incentivized through state tax credits of up to 65%, applied against their Virginia state income tax liability. Contributions are also 100% deductible on federal tax returns, making it a meaningful way to support students while receiving significant tax benefits.

- Minimum donation for individuals: \$500
- Minimum donation for businesses: \$616

For Example:

Donate
\$1,000

Get \$650
Tax Credits!

Ways to Give

As an approved organization, we have a limited allocation of credits for the fiscal year (July 1 – June 30). Credits are allocated on a first-come, first-served basis, so donors are encouraged to reach out early to confirm availability.

Take advantage of this opportunity to support St. Andrew's School and receive a NAP tax credit! Donations from individuals and businesses can be made via:

- Online donation
- Check
- Cash
- Payroll deductions
- Electronic fund transfers
- Marketable securities

*Please note, donations made through pre-taxed entities are not eligible (i.e., Donor Advised Funds)

Before making your gift, be sure to contact the Development Office at development@st-andrews-school.org or 804.796.0981 to confirm that NAP credits are still available.
